

NORTH CAROLINA SUPREME COURT

ERIC STEVEN FEARRINGTON,
CRAIG D. MALMROSE,

Plaintiffs-Respondents,

v.

CITY OF GREENVILLE, PITT
COUNTY BOARD OF EDUCATION,

Defendants-Petitioners.

From the Court of Appeals
No. COA20-877

From Pitt County
No. 19 CVS 1217

PLAINTIFFS-RESPONDENTS' MOTION FOR EXTENSION
OF TIME TO FILE NEW BRIEF

Plaintiffs-Respondents Eric Steven Fearington and Craig D. Malmrose move, under Rule 27, for a thirty-day extension of time to file their new brief in this case. Plaintiffs' new brief is currently due 7 July 2023. An extension is necessary to facilitate amicus support.

Plaintiffs have sought amicus support, and an amicus has indicated willingness to file a brief if Plaintiffs can obtain an extension of time. Defendants do not object to this motion.

Therefore, Plaintiffs pray that the Court allow this motion and provide a thirty-day extension of time such that Plaintiffs' new brief is due on 7 August 2023.

Respectfully submitted,

19 June 2022
