Re: Letter of Correction, *State v. Fletcher*, No. 50707-2023 (Ada County No. CR01-22-22589)

Dear Ms. Gagnepain:

Undersigned counsel respectfully submits the following correction to the Appellant's Reply Brief. A sentence on page 6 currently reads (bolded emphasis added):

The State explained that *Hansen*, 167 Idaho 831, 477 P.3d 885, "dealt with this exact circumstance where there is a search done pursuant to conditions of probation," and **Ms. Fletcher** attempt to revoke her consent at the time of the search was, therefore, ineffectual. (Tr., p.92, Ls.3–12.)

The sentence should read:

The State explained that *Hansen*, 167 Idaho 831, 477 P.3d 885, "dealt with this exact circumstance where there is a search done pursuant to conditions of probation," and **Ms. Fletcher's** attempt to revoke her consent at the time of the search was, therefore, ineffectual. (Tr., p.92, Ls.3–12.)

A corrected copy of this page is filed with this letter. Undersigned counsel apologizes for any inconvenience to the Court and counsel for the Respondent due to this error.

Sincerely,

/s/ Jenny C. Swinford
